Dear Exhibitor:

As a painter for most of my life, and an exhibitor-director for the past 48 years, your success is my primary concern. The shows are noncompetitive, and a CATEGORY IS CLOSED WHEN THAT MEDIUM IS FILLED. You are placed next to an exhibit which complements yours. I am always available at the show from dawn till dark as director, participant, and mediator. **IF YOU HAVE NOT BEEN JURIED OR CHANGED MEDIUM, YOUR WORK MUST BE JUDGED. PLEASE SEND A SASE (self addressed, stamped #10 envelope) WITH 5 CLOSE-UP PHOTOS OR JPEG DISC OF YOUR ORIGINAL WORK, 2 OF DISPLAY, A DETAILED EXPLANATION OF ART/CRAFT, AND EXHIBITOR PHOTO FOR FILE.** When accepted, return bottom half of application (Page 3) COMPLETELY filled in with CORRECT LICENSE PLATE #, CHECK (or money order if you're late). Send many 4x6 photo close-ups of your work with name, address, phone, medium, labels on the back of each (please do not use ball point pen) or send a .jpeg file via e-mail, for individual promotion in news media ... postcards are fine, NO CATALOGUE SHEETS accepted, the more photos, the better your individual press promotion.

Please indicate all shows you will attend and RESERVE A.S.A.P. Your first check, made payable to Denise M. Curt, need cover only your first show, but must be received at least 6 weeks prior to that show, if category is open. Deadline is 3 weeks before any show or a \$25.00 late fee will be charged thereafter. Accepted Exhibitors must have full fee paid to ensure space assignment, and full fees or deposit is required for future shows. Reservation spaces are limited by category. If your category is filled when you apply, phone me 3 weeks before the show if an opening should occur. **No personal checks after the 3 week deadline of a show. Money orders, or cashiers check only.** If you cancel a show and are unpaid you must pay balance before receiving a space the following year.

Rejections & confirmations are returned immediately in your SASE. **No confirmation sent unless your SASE is enclosed.** Your cancelled check is your acceptance. Double or half spaces are available at additional cost. If you send this application asap and are a long time exhibitor, arrangements for payment may be discussed so you DON'T LOSE YOUR REGULAR SPACE. Early registrants are carrying the entire financial burden of: postage, printing, advertising costs, insurance, police security, city licenses, police headquarters-collation, signage, schedules, calendars, space leasing, computer lists, lay-outs, maps, portalets, press and photo printouts, exhibitors photos, art slaves and a thousand other details.

You were mailed this application early enough to reserve a space to protect you, so that your limited category is not already filled. If you cancel unexpectedly without paying, that leaves a serious gap — financially and creatively. Last minute decisions are penalized with a \$25 late fee 3 weeks before a show. There have been hundreds of refusals due to procrastination, forgetfulness, indecision, inappropriate/inferior work, buy-sell, manufactured items, dealers.

Art/Craft shows throughout the country are being hurt by allowing dealers to sell their wares. My shows have always been carefully monitored and juried, but there are some vendors, (not exhibitors) who try to infiltrate a decent show. I need the assistance of my extended family of exhibitors to let me or one of my helpers/ Art Slaves tell me when imported articles are salting a display, or if a vehicle is not where it should be. This policy will be enforced. Exhibitors who have misrepresented their work will be asked to leave with no refunds or returned deposits. Please acquaint me with your sales volume at the END of the show. Signs must be professional, additional signs subject to approval. There are many promoters scouting my shows, so please ask me if they are well run before you sign up. I want you all to prosper and succeed. If a fellow exhibitor is infringing on your space or you want a different space let DENISE know-(She has been running MTA&A for decades and knows all the problems as an exhibitor and interior designer) Tree and space limitations require considerate and cooperative neighbor relations. We are in this profession together, however I am not responsible for the weather. ALL SHOWS ARE FREE PUBLIC ADMISSION AND FREE PARKING.
